

SciLifeLab-symposium in Advanced Fluorescence Microscopy

The Advanced Light Microscopy facility at Science for Life laboratory cordially welcome you to an symposium covering applications of advanced fluorescence microscopy methods from world leading experts

09:00 am: Opening

Hans Blom – Scilifelab/KTH

09:05 am: PALM

Suliana Manley – EPFL, Lausanne, Switzerland

09:50 am: DNA-PAINT

Ralf Jungmann – MPI for Biochemistry, Munich, Germany

Coffee (10:35-10:55)

10:55 am: RESOLFT & STED

Ilaria Testa – Scilifelab/KTH

11:40 am: Structured Illumination (N-SIM)

Company representative – Nikon

Including microscope demo in the afternoon

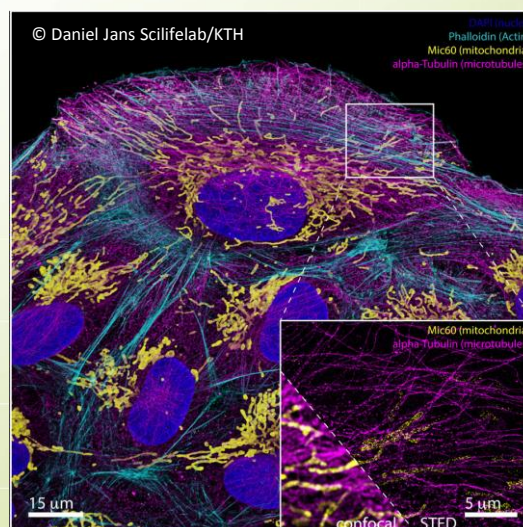

(contact: marie.andersson@bergmanlabora.se)

12:15 am: Lattice light-sheet

Wesley Legant – HHMI Janelia Farms, VA., USA

Time: Wednesday 7th of February 2018

Place: AIR & FIRE lecture hall, Tomtebodav 23A Solna

SciLifeLab

Registration (<23 Jan) : hblom@kth.se
