

Insights into EMBO's Fellowship Programme

Speaker: Kelly Sheehan-Rooney

Kelly Sheehan-Rooney, Head of the Fellowship Programme at EMBO, will give an overview of the eligibility and evaluation criteria of EMBO's Postdoctoral Fellowships, Scientific Exchange Grants, and the New Venture Fellowships. She will also give some top tips for grant writing, and an insight into her career move from academic research to international research development.

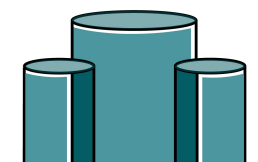

Who the event is aimed at i.e., who will attend : Researchers in all stages of their career are welcome to attend and could find the talk useful. The fellowships are a great opportunity for early-stage researchers as well as for group leaders to further their research interests and consider new avenues to expand into high quality research ideas.

November 9, 15:00-16:00

Venue: Zoom (Meeting ID: 63083325619)
