

PRIVACY POLICY

The personal data you provide in the registration form enables SciLifeLab to register and contact you about your attendance at the event; carry out administrative and planning activities for the event; facilitate your requirements about the event; allow the compilation and analysis of statistics relevant to the event.

A list of participants, including your email address, will be available to the participants. Let the organizer know if you want to be removed from the list.

The information you provide will be processed for research purposes, i.e. using the lawful basis of public interest and following the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 (General Data Protection Regulation) on the protection of natural persons about the processing of personal data and on the free movement of such data.

If you want to remove your personal data, please contact events@scilifelab.se.
