

## Arrival Information and Local Transportation

Most international flights serving Stockholm arrive at Arlanda Airport. Arlanda is approx 40 km north of Stockholm. Some flights arrive at the smaller Bromma Airport, which is only 10 km west of Stockholm. There are several ways to transfer from the airports to the hotels close to the SMYTE venue on Södermalm (south Stockholm).

### Arrival - Arlanda Airport

From the Arlanda Airport, choose either Taxi, Train (Arlanda Express or Commuter Train) or Airport Bus.

#### TAXI

The easiest option to get to Stockholm is to take a taxi or Uber. Use the taxi cue system outside of Terminal 5 (follow signs), do not accept a ride from hawkers as you exit arrival hall. The price for one of the “proper” standard taxis with fixed fare is around **850 SEK** (even if you use the official taxi cue, check with driver to make sure of fixed fare). Using an Uber app will likely be a bit cheaper and you will know the price. The trip will take around  $\approx 50$  minutes to Södermalm depending on traffic. If you arrive with a group (you can divide the cost) and the taxi provides the convenience of dropping you directly at your hotel. Note: Södermalm is within the standard “Tariff ZONE” so do not let drivers add additional costs. Payment by credit card.
